

# Knives out

## Platinum Pied Pipers

I want you to know  
He's not coming back  
Look into my eyes  
I'm not coming backSo knives out  
    Catch the mouse  
    Don't look down  
Shove it in your mouthIf you'd been a dog  
    They would've drowned you at birth  
    Look into my eyes  
It's the only way you'll know I'm telling the truthSo knives out  
    Cook him up  
    Squash his head  
Put him in the potI want you to know  
    He's not coming back  
    He's bloated and frozen  
Still, there's no point in letting it go to wasteSo knives out  
    Catch the mouse  
    Squash his head  
    Put him in the pot
