ALONE

B'z

Yuuyake no machi wa hageshisa wo sotto wasureteru
Itsuka mita sora ga, boku no kokoro wo kaesu yo dokoka ni

Atarashii kurashi ni mo sukoshi wa narete kita kedo
Kattena boku wa kimi wo omoidasu

Alone, bokura wa sorezore no hana wo
Daite umareta meguriau tame ni

Iro tsuku michi wa natsukashii kaze no kaori
Dare mo ga mune no oku ni, yoku nita yuuhi wo motteru

Kareru koto wo shiranai, namida no iro wa ima demo
Yume wo katatta ano koro to onaji

Alone, bokura wa sorezore no hana wo
Daite umareta meguriau tame ni
Alone, sora wo mi agereba hitori
Gamusharana jounetsu ga, fuwa fuwa to warau yo

Itsuka inakunaru youna, sonna kigashiteta kedo
Jidai ga mawari mata kimi wo mitsukeru darou

Alone, bokura wa sorezore no hana wo
Daite umareta meguriau tame ni
Alone, koi ni ochiteyukeba hitori
Hikari ni sarashite kono kokoro kogasou
You're gone, itsu made mo utai tsuzukeru koe wa
Doko made todoku darou? Ima kimi ni aitai

I was born to fall in love
You know we're all alone
Hold your dreams, it never ends
Naked eyes in the sky
