

Familiar Ground (Solid Steel version)

The Cinematic Orchestra

(Baby, baby, baby...)How near, how far?
How near, boy, tell me, how far
How near, oh yes, how far
How near, how farHow near near near...
How far far far far...
How near near near near...
How far far far far...How far...
(baby, baby, baby...)
And how far...
(baby, baby, baby...)How far...
(baby, baby, baby...)
(baby, baby, baby...)
Tell me, how far...Baby, baby, baby...
