

Keep It Quiet (Bear)

Ra Ra Riot

Four hours up by 95, you and me were cold
If you want to compromise, I can hold on I know it's wrong
It's a cold life, though Oh Cold water for cooling down
But you know that when you stay around
Old fortune, for sudden leave
Oh but maybe you're sincere, sister oh Another hour, oh
Trouble having satisfied two different paths
Can I give up on one, it's a thought I hate All I could lose, it's a cruel life I choose
Oh, cold water for cooling down
But you know that when you stay around
Old fortune, for sudden leave
Oh but maybe you're sincere Keep it quiet, keep it quiet
Oh heartbeat, keep it quiet
Through the doorway, keep it quiet
Yes, I'm tired, keep it quiet Cold water for cooling down
But you know that when you stay around
Old fortune, for sudden leave
Oh, but maybe you're sincere All my doubt
All my doubt How can I want to stay around? All my doubt
All my doubt How can I want to stay around?
How can I want to stay around?
How can I want to stay around? All my doubt
All my doubt How can I want to stay around?
How can I want to stay around?
