Lookin' Up Lookin Down

Shawn Phillips

I keep lookin' down out of my windows at the people below
So slow
I keep lookin' down out of my windows at the people below
Lordy, go slowSure would like to know what you been thinkin'
But I don't want to know when you been sinkin'
Go slow
Yeah, sure would like to know what you been thinkin'
But I don't want to know when you been sinkin'
Go slowYou see yourself in a coffee cup
But you cannot stimulate the future up
Go slow
You see yourself in a coffee cup
But you cannot stimulate the future up
Go slowEvery time I'm doin' a number
I'm thinkin' that I see your eyes
I keep crossing over borderlines
Seein' little babies dieAnd even though I'm economizing
I can't keep your high livin' style child
It takes so long to believe it Charlie
But what have you done to your smileI keep lookin' down out of my windows at the people below
So slow
I keep lookin' down out of my windows at the people below
Lordy, so slowThe alternative to truth is hypocrisy
If you want to choose the latter you won't never be free
Go slow
The alternative to truth is hypocrisy
If you want to choose the latter you won't never be free
Go slowAin't no such thing as revolution
It's got another name
It's called evolution
Go slowAin't no such thing as revolution
It's got another name
It's called evolution
Go slowPart of being free is a state of mind
You just got to learn to leave it all behind
Go slow
Part of being free is a state of mind
You just got to learn to leave it all behind
Go slow
