Still In Love

Kirk Franklin

[Verse 1]
That touch I felt was you,
I believe it
It felt like something you would do
How you, you keep reminding me
That you made me for yo, I knew,
That there would be some days
That cant be guaranteed to be blue,
Its true, but then where would I be without opportunities to,
Watch you change my broken life,
Hear you tell me its gon' be alright now,
See your plans come together in ways I cant even explain

[Chorus]
Together we been through hard times,
But Jesus I'm still in love with you,
I've had many loves in my life
But Jesus you make me feel brand new,
You know its hard for me to believe
That you love me no matter what I do
So how I live, I hope you can see
That I'm in love with you

[Verse 2]
The morning sun was you,
I appreciate it just what I needed to get through
Cause you knew I had a stressful day gotta get away
With you Jesus you you make me happy
If I wrote down all the things you do
The list would take forever I
Thought it might be better
To tell you why I smile is cause you,
You bring no drama in my life
It was dark but I can see the light now
Everything is so beautiful to me

[Chorus]

[Bridge]
Hey DJ turn it up it feels so good

To have somebody love you and your heart won't break
Hey DJ turn it up if you've been through love
You're Ready now to let go of yesterday
If you can hear me, get on up and get yourself together
He's callin you (yessir) its all for you (yessir)
If you don't know Jesus is so in love with you

[Rap]
You You, throw them hands up c'mon its for
You you, get it get it don't stop its for
You you, cant you feel it Jesus its for
You you, party people c'mon its for
You you, yea thats you just keep doing what you do
No one does me like you do
Thats why I'm so in love with you
Who? You yea thats you and if I have to go through
As long I know I'm with you I'm gon' be alright tonight
Cause its on you

[Chorus]
