

Hungry for Love

Whitesnake

I keep hangin' on the promise of love
Your eyes tell me that I'm gonna see
I feel the hunger like a starving man
Honey, when you stand close to me I start to shiver, I start to shake
Chills up an' down my spine
I'm in the mood for action in need of satisfaction
Babe, I'm gonna make you mine Now I believe in you and everything that you do
'Cause I'm hungry for love
I'm hungry for love, I'm hungry for love
I can't get enough, I can't get enough, I can't get enough Just I, I can't get enough, baby I've got the weakness of
an ordinary man
I need the comfort of womanly mind
But I get nervous when I think about
So many women and so little time But, I believe in you and everything that you do
'Cause I'm hungry for love
I'm hungry for love, I'm hungry for love
I can't get enough, I can't get enough, I can't get enough Hungry for love
Hungry for love
Hungry for love I start to shiver, I start to shake
Chills up and down my spine
I get so nervous when I think about
So many women and not enough time I believe in you and everything that you do
'Cause I'm hungry for love
I'm hungry for love, I'm hungry for love, baby
I can't get enough, I can't get enough, I can't get enough I'm hungry for love, I'm hungry for love, I'm hungry
for love
I can't get enough, I can't get enough, I can't get enough
I can't get enough, I can't get enough, I can't get enough I just can't get enough, baby
I'm hungry for love
