

Shame On You

The Van Pelt

Somebody tryin' to take my soul
Nobody gotta hear my rock n' roll

Shame, shame, shame on you babe
Shame, shame, shame on you baby

Lolita, steady as it goes
Toot sweet, powder in her nose

Shame, shame, shame on you babe
Shame, shame, shame on you babe

Hey Smith, old hank pank
Pulling down your knickers
Ah, who you gonna spank

Shame, shame, on you baby
Shame, shame, shame on you babe

Joe Perry, ooh Mr Style
Some kind of killer bee
Buzz a while

Phoned home last night
P.M.S.
Bitch bitch bitchin'
Gotta do this gotta do that

Shame, shame, shame on you babe
Shame, shame, shame, shame shame on you baby

Bogus honey, square dance close
Oh, grab your partner, a bring it home 'n dosey, dosey

Shame, shame, shame on you babe
Shame, shame, shame on you baby

(?), flinch it did
Why's uncle Stanley

Tryin to keep it hid

Shame, shame, shame on you babe
Shame, shame, shame on you baby

Seven or eleven
Got to roll the dice
Am I in heaven
Or am I in Miami Vice

Shame, shame, shame on you babe
Shame, shame, shame, shame
Shame, shame, shame on you baby
