

# Make a Way (feat. Mmatema)

## Spirit of Praise

â€œFor I have good plans for you  
Big plans to help you prosper  
Not plans to make you perish  
Trust in me, Iâ€™ll make a way  
I donâ€™t ever count your mistakes  
I forgive You for all your sins  
I am the Great I AM  
Just trust in me Iâ€™ll make a wayâ€•  
Even in my darkest shade  
Lord You are still my light

The way, the Truth, the Life  
I trust You will make a way  
I trust You will make a way  
I trust You will make a way  
I trust You will make a way  
I trust You will make a way (Repeat)

â€œI love you even when you fall  
My love for you will never fail youâ€•  
His love for you will never fail you  
Just trust he has made a way  
â€œWait patiently in my presence  
Just be still and know, I am God  
Iâ€™ll never let you down  
Just trust I have made a wayâ€•  
â€œEven in your darkest sins, It doesnâ€™t matter  
God, I am still your light  
Iâ€™m the way, the truth, the life  
Just trust I have made a way  
Even in your darkest weaknesses (?)  
Thank God, I am still your Light  
Iâ€™m the way the Truth, the Lifeâ€•  
Yes! I trust

I trust You will make a way x4

Lord, You will make a way x4

I believe You will make a way x4

I trust You will make a way x4

For He has good plans for you  
And they are plans to help you prosper  
Not plans to make you perish  
Just believe He has made a way  
    “Even in your darkest sins  
    I still shine so bright  
For I am the way, the truth, the life”  
    He has made a way
