

# Now that we found love

## The O'Jays

Yeah [yeah-eah](Now that we found love what are we gonna do)  
[what are we gonna do] (with it) [with it]  
(Now that we found love what are we gonna do)  
[hey-eay] (with it)(Now) One two, tell me what you got  
Let me slip my quarters inside your slot to hit the jackpot  
Rev me up rev me up  
My little buttercup  
We can tug sheets snuggle up and get stuck  
Believe it or not  
Here comes the brother with glow  
A strugglin', bubblin' overweight lover hurt prone  
So what's it gonna be  
Me or the TV  
Now let me take time to set your mind and your body free  
(Now) So why don't you just stretch  
Stretch for a sec  
Played ??? so I could cop a quick rec  
Shake me, Shake me  
Baby baby bake me  
No need to fake here I am  
Come on and take me  
Wind your body  
Baby move your body  
I see you slip sliding  
Come on now do it hottie  
I'm not quite sure as to what is going down  
But I'm feeling Hunky Dory  
'bout this thing that I found(Now that we found love what are we gonna do with it)  
(Now that we found love what are we gonna do  
with it) [come on Heavy, come on Heavy](Now) I dig the way you wiggle  
You don't jiggle  
Once you jiggle  
So hand over your love  
Cause it's heavier  
Than it'll  
Move her like a mover  
she wanted to groove so I grooved her  
then she wanted to learn so we did school  
and I schooled her

(Now)[Mary had a little lamb]  
But not like this  
We can waltz and turn  
Rumble tumble and twist  
Then you think you gonna give in  
Phantasies relivin'  
So lay down and relax  
[yeah baby, thati;½s it]  
(now) Lover my lady  
Lady love of my baby girl  
Spread your wings  
So we can fly around the world  
Harmony, charm of me  
Your fingertips are callin me  
When you drop me kisses  
You're so cute you drop the bomb on me  
(Now) Stretch it, stretch it  
Flex it, flex it  
Gimme the permission  
Okey, dokey  
I'll bless ya  
Blessin' like buddha  
Buddha as the bless  
You can lay down on the Lover  
Put your head on my chest [now that we](Now that we found love what are we gonna do)  
[what are we gonna do] uh, yeah (with it) [with it] uh  
(Now that we found love what are we gonna do)  
[come on and tell me] (with it) TR, get em up one time(Now) Uh, keep it funky  
yeah [keep it smooth] like this  
(Now) Uh, here we go(Now) What can we do  
What are we gonna do  
Roses are red and Violets are blue  
Love is good and plenty  
If you get plenty good lovin'  
Kiss you where youi;½re hot  
to what I got to keep you bubblin  
(Now) Do me right  
Do me right  
My lonesome dove  
Tell me one more time  
What is this thing called love
