

Big as I Can Dream

[Roy Orbison](#)

I know they don't think that I'll amount to much
But your love has given me the magic touch
Just put your faith in me and strange as it may seem I will build a dream for you
Big as I can dream I know that they want the best things for you
That is just what I have planned
If they only knew There's no mountain that's too high
I can ford any stream, for your love I can be
Big as I can dream
