

Radio Friendly Unit Shifter (Live & Loud)

Nirvana

Hey, I just wanted to know.
Do you like me?
Use just once and destroy
Invasion of our piracy
Afterbirth of a nation
Starved without your skeleton key I love you for what I am not
I did not want what I have got
Blanket acne'd with cigarette burns
Speak at once while taking turns What is wrong with me?
What is what I need?
What do I think? I think Nothing to do with what you think
If you ever think at all
Bi-polar opposites attract
All of a sudden my water broke I love you for what I am not
I did not want what I have got
Blanket acne'd with cigarette burns
Second-rate third degree burns What is wrong with me?
What is what I need
What do I think? I think Hate, hate your enemies
Save, save your friends
Find, find your place
Speak, speak the truth What is wrong with me?
What is wrong with me?
What is what I need?
What do I think? I think Use just once and destroy
Invasion of our piracy
Afterbirth of a nation
Starved without your skeleton key What is wrong with me?
What is wrong with me?
What is wrong with me?
What do I think? I think What is wrong with me?
What is wrong with me?
What is wrong with me?
What do I think? I think
