

Planet Queen

T. Rex

The planet queen perchance to dream
She used my head like an exploder
The planet queen The worlds the same I am to blame
She used my head like a revolver
The world's the same Well it's all right
Love is what she want
Flying saucer take me away
Give me your daughter Well it's all right
Love is what she want
Flying saucer take me away
Give me your daughter Dragon head machine of lead
Cadillac king dancer in the midnight
Dragon head The planet queen perchance to dream
She used my head like a revolver
The world's the same Well it's all right
Love is what she want
Flying saucer take me away
Give me your daughter Well it's all right
Love is what she want
Flying saucer take me away
Give me your daughter The dragon head machine of lead
Cadillac king dancer in the midnight
Dragon head The planet queen perchance to dream
She used my head like a revolver
The planet queen Well it's all right
Love is what she want
Flying saucer take me away
Give me your daughter Well it's all right
Love is what she want
Flying saucer take me away
Give me your daughter Well it's all right
Love is what she want
Flying saucer take me away
Give me your daughter Give me your daughter
Give me your daughter
Give me your daughter
