

I Should Be A Communist

This Many Boyfriends

I should be a Communist
I tried, I failed, I'm far too decadent I used to think it mattered
if I wore grey or black
I know it's so much clearer, when you just put it back
I escaped oppression
but maintained Calvinism
No television or movies for me, until I'm eighteen
Until I'm eighteen
Uhohohhhhhh I should be a Communist
I tried, I failed, I'm far too decadent I used to think it mattered
if I wore grey or black
I know it's so much clearer, when you just put it back
I escaped oppression
but maintained Calvinism
No television or movies for me, until I'm eighteen
Until I'm eighteen
Uhohohohohhhhhh
Ohhhhhhhhhh woah ohohohohohhhhhh woah
