From Me 2 U

Reggie and the Full Effect

Today's your final day
Is what I thought you would say
Why fools throw love away?
Is something I can't sayOthers just run away
Thinks that it comes back someday
Feels good and looks good and seems like it should
Only I know what I want intoCould be a better way
To think of how to stay
Feels like a, looks like a, seems like a, knows what is
Only you, only, it's only you, only youCan't guess just what I do
Just know this song is more from me 2 u
