Angel

Lace

You spend all your time waiting for that second chance
For the break that will make it okay
There's always some reason
To feel not good enough and it's hard at the end of the dayI need some distraction oh, beautiful release
Memories seep from my veins
Let me be empty, oh and weightless and maybe
I'll find some peace tonightIn the arms of the angel far away from here
From this dark, cold hotel room
And the endlessness that you fear
You are pulled from the wreckageOf your silent reverie
You're in the arms of the angel
May you find some comfort hereSo tired of the street life and everywhere you turn
There's vulture and thieves at your back
The storm keeps on twisting, keep on building the lies
That you make up for all that you lackIt don't make no difference escape one last time
So much easier to believe in this sweet madness
All the glorious sadness
Brings me to my kneesIn the arms of the angel far away from here
From this dark, cold hotel room
And the endlessness that you fear
You are pulled from the wreckageOf your silent reverie
You're in the arms of the angel
May you find some comfort hereYou're in the arms of the angel
May you find some comfort here
In the arms of the angel
