

# Angel

## Lace

You spend all your time waiting for that second chance  
For the break that will make it okay  
There's always some reason  
To feel not good enough and it's hard at the end of the day I need some distraction oh, beautiful release  
Memories seep from my veins  
Let me be empty, oh and weightless and maybe  
I'll find some peace tonight In the arms of the angel far away from here  
From this dark, cold hotel room  
And the endlessness that you fear  
You are pulled from the wreckage Of your silent reverie  
You're in the arms of the angel  
May you find some comfort here So tired of the street life and everywhere you turn  
There's vulture and thieves at your back  
The storm keeps on twisting, keep on building the lies  
That you make up for all that you lack It don't make no difference escape one last time  
So much easier to believe in this sweet madness  
All the glorious sadness  
Brings me to my knees In the arms of the angel far away from here  
From this dark, cold hotel room  
And the endlessness that you fear  
You are pulled from the wreckage Of your silent reverie  
You're in the arms of the angel  
May you find some comfort here You're in the arms of the angel  
May you find some comfort here  
In the arms of the angel
