

# Steady As We Go

## Dave Matthews Band

I walk half way around the world  
Just to sit down by your side  
And I would do most anything girl  
To be the apple of your eye  
But troubles they may come and go  
But good times they're the gold  
And if this road gets rocky girl  
Just steady as we go  
Any place you wanna go  
Know I'll be next to you  
If it's treasure, baby, you're looking for  
I'll search the whole world through  
Know troubles they may come and go  
But good times they're the gold  
So if the road gets rocky girl  
Just steady as we go  
When the storm comes  
You shelter me  
And I don't say a word  
And you know exactly what I mean  
In the darkest times  
You shine on me  
You set me free  
And keep me steady as we go  
So if your heart rings dry my love  
I will fill your cup  
And if your load gets heavy girl  
I will lift you up  
But troubles they may come and go  
But good times be the gold  
So if the road gets rocky girl  
Just steady as we go  
Ah, hold me  
Shine on me  
Oh, shine, shine, shine  
Shine on me baby
