

# Die Young Stay Pretty

## Short Stack

Please gather around brothers and sisters  
Please lend me your hearts and your tongues  
Cause i taste so nice  
Please take my advice  
Die young,  
Die young,  
Die young

HEY!

Well they said i could have done better  
And i never was that of a good son  
But round came my time  
And fuck oath i shined  
I shone,  
I shone,  
I shone  
And we'll fall in love tonight  
Babe we're always outnumbered but never out gunned  
And left tonight  
And I'm hoping the ocean is what we'll become,  
The choir boys chanted a riot tonight  
And the uptown girls sang along  
Together they sing with their devilish grins  
Die young,  
Die young,  
Die young  
And stay pretty like  
Well sweetheart, your number is up  
It turns you were number one  
And cause we got older  
Our bedroom got colder  
No fun,  
No fun,  
No fun

And we'll fall in love tonight  
Babe we're always outnumbered but never out gunned  
And left tonight  
And I'm hoping the ocean is what we'll become  
The choir boys chanted a riot tonight

And the uptown girls sang along  
Together they sing with their devilish grins  
Die young,  
Die young,  
Die young  
And stay pretty  
Die young,  
Die young,  
Die ya ha-ha-ha-ha-ha-ha-ha-ha-ha-young  
Please gather around brothers and sisters  
Please lend me your hearts and your tongues  
And we'll fall in love tonight  
Babe we're always outnumbered but never out gunned  
And left tonight  
And I'm hoping the ocean is what we'll become,  
The choir boys chanted a riot tonight  
And the uptown girls sang along  
Together they sing with their devilish grins  
Die young,  
Die young,  
Die young  
And stay pretty  
Die young,  
Die young,  
Die young  
And stay pretty  
Die young,  
Die young,  
Die ya ha-ha young
