Time

Safe Mode

You're asking if know the road back here
You have to know, it is not marked
Just don't think, Just disappear
Leave your mind blank and with no sound
You're asking if know the road back here
You have to know, it is not marked
Just don't think, Just disappear
Leave your mind blank and with no sound
Deep in the space of evolution
a man is crying for the past times
future died with no solutions
love is now, where are you now?
Time, doesn't really really exist
now is now, you have to be
surrender to the now
Time, doesn't really really exist
Now is now, you have to be
Surrender to the now
Deep in the space of evolution
a man is crying for the past times
future died with no solutions
love is now, where are you now?
Time, doesn't really really exist
now is now, you have to be
surrender to the now
Time, doesn't really really exist
Now is now, you have to be
Surrender to the
Time, Time, Time
