Say That You Love Me

Lea Salonga

(allan ayque/louie ocampo)My morning starts to shine with teardrops in my eyes
And here I am alone starting to realize
That my days would be brighter
If I could learn to hide
The feelings that I have for you
Keep hurting me insideThen my day begins with simple thoughts of you
Hoping that tomorrow will be me and you
Sharing dreams with each other
And making them come true
Holding one another
Saying "all I need is you"But will you say that you love me
And show me that you care
Say when I need you
You will always be there
But if you go and leave me
This I swear is true
My love will always be with youNow my nights would end with just one wish, that's you
To hold me in the dark and help me make it through
'cause the pain that's inside me
Would simply melt away
If I had you here with me
And promise me you'd stayBut will you say that you love me
And show me that you care
Say when I need you
You will always be there
But if you go and leave me
This I swear is true
My love will always be with you(instrumental)But will you say that you love me
And show me that you care
Say when I need you
You will always be there
But if you go and leave me
This I swear is true
My love will always
My love will always be with you
