

# Say That You Love Me

## Lea Salonga

(allan ayque/louie ocampo)My morning starts to shine with teardrops in my eyes

And here I am alone starting to realize  
That my days would be brighter  
If I could learn to hide  
The feelings that I have for you

Keep hurting me insideThen my day begins with simple thoughts of you

Hoping that tomorrow will be me and you  
Sharing dreams with each other  
And making them come true  
Holding one another

Saying "all I need is you"But will you say that you love me

And show me that you care  
Say when I need you  
You will always be there  
But if you go and leave me  
This I swear is true

My love will always be with youNow my nights would end with just one wish, that's you

To hold me in the dark and help me make it through  
'cause the pain that's inside me  
Would simply melt away  
If I had you here with me

And promise me you'd stayBut will you say that you love me  
And show me that you care  
Say when I need you  
You will always be there  
But if you go and leave me  
This I swear is true

My love will always be with you(instrumental)But will you say that you love me

And show me that you care  
Say when I need you  
You will always be there  
But if you go and leave me  
This I swear is true  
My love will always

My love will always be with you
