Existential Depression

Azure Marl Void

I am that I am betwixt these flames.Â They burn earthly desires in my heart.Â What does it profit me to sin?Â If I sacrifice my body to be burned.Â Yet I am nothing.Â I am that I am beneath these waves.Â That churn foaming regret in my mouth.Â What does it profit me if I have not loved?Â I'll cast myself in the depths of seas.Â Yet I am nothing.
