

Curse of the Broken Hearted

Papercut Massacre

Can you show me
Where we went wrong?
It's beyond me
Can't put my finger on
It's a damn shame
I couldn't hold onto you Unfamiliar
Sudden stopping frame
I can hear you
When you scream this name
I can't take all of this anymore I live every day with this curse of the broken hearted
The pain that we never let go and the words unspoken
I cry myself to sleep at night
Will I be forgotten?
The curse of this broken heart will live on
And die alone inside of me
Die alone inside of me
Are you listening?
I know it sounds absurd
But I'm feeling
Much more than awkward
About staying
Here just one more day You don't love me
No matter what you say
It won't make me
Change my mind and stay
It still hurts me
To even hear your name I live every day with this curse of the broken hearted
The pain that we never let go and the words unspoken
I cry myself to sleep at night
Will I be forgotten?
The curse of this broken heart will live on
And die alone inside of me
Die alone inside of me
Die alone inside of me I've, I've waited too long
I've suffered so long
I'm suffocating
I'm suffocating I live every day with this curse of the broken hearted
The pain that we never let go and the words unspoken
I cry myself to sleep at night

Will I be forgotten?
The curse of this broken heart will live on
And die alone inside of me Die alone inside of me
