

I Love You But I Don't Know What To Say

[Katey Sagal](#)

We belong here, We belong here
Ain't nobody can tell us
That we're wrong
Help me say
Say this to you
I stand by your side to see you through[Chorus]
I promise you I'll keep you safe from harm
And love you all the rest of my days
When the night is silent
And we seem so far away
Oh I Love You and I don't know what to say I was lost, I was lost
Tried to find the best
Yeah I got caught in the cost that I got
When I met you
All the clouds parted
All that light came shining through[Chorus]
Promise you I'll keep you safe from harm
Love you all the rest of my days
When the night is silent
And we seem so far away
Oh I Love You and I don't know what to say
