

Wet The Bed (feat. Ludacris)

Chris Brown

[Intro]

Hear the sound of your body drip, drip, drip
As I kiss both sexy lip, lip, lips
Hear the sound of your body drip, drip, drip
As I kiss both sexy lip, lip, lips

[verse 1]

I ain't afraid to drown, if that means I deep up in your ocean yeah
Girl I'll drink you down, siping on your body all night
I just wanna take your legs and wrap em round,
girl you're coming right now
My head to your chest feeling your heart beat girl
Swimming all in your sea, and you're sweatin all over me,
Bring it forward don?t you run
I don't want to be a minute man
Baby you're just like a storm rainin on me girl you're soakin wet
Whoa

[Chorus]

I'ma kiss it right, yeah, yeah
I'm gone lick all night, yeah, yeah
Girl when I'm inside, yeah, yeah
Yeah girl you heard what I said
I'm gonna make you wet the bed, bed, bed
I'm gonna make you wet the bed, bed, bed
I'm gonna make you wet the bed, bed, bed
I'ma put your legs behind your head
Wouldn't I make you wet the bed

[Verse 2]

You don't know what you're in for
Bouta get inside your mental
In your back like its limbo
I'ma make you feel like a nympho
Tonight, ohh whoa
You're mine, baby girl
Anytime you want it
I'm, ready and willing girl to give it
I start to lick your body you go to tremblin

move it around girl lemme get it from the side

And can I visit all those spots you like
Your neck, your back, your sexy lips booty and thighs

I dont want to be a minute man
Baby you're just like a storm rainin on me girl you're soakin wet

[Chorus]

I'ma kiss it right, yeah, yeah
I'm gone lick all night, yeah, yeah
Girl when I'm inside, yeah, yeah
Yeah girl you heard what I said
I'm gonna make you wet the bed, bed, bed
I'm gonna make you wet the bed, bed, bed
(ludacris) its like a monsun round here
I'm gonna make you wet the bed, bed, bed

I'ma put your legs behind your head
Wouldn't I make you wet the bed

[Verse 3 Ludacris]

I'm a make your body wetter than ever
We'll get together you can tell as soon as I approach ya
When you're feeling up tight, get it right,
Don't fight lighten up like Sammy Sosa
Women call me the supa soker and I'm a soak ya bed to death
How long can you hold your breath
Asthma attackin, wake up wonderin what happened
Makin me hot like like Toni Braxton
You cant deny u wanna break my back in, two
What you wanna do, look at you with your birthday suit suit suit suit
The forecast said it's cloudy and I'ma have your body
like bloop bloop bloop bloop

[Chorus]

I'ma kiss it right, yeah, yeah
I'm gone lick all night, yeah, yeah
Girl when I'm inside, yeah, yeah
Yeah girl you heard what I said
I'm gonna make you wet the bed, bed, bed
I'm gonna make you wet the bed, bed, bed
I'm gonna make you wet the bed, bed, bed
I'ma put your legs behind your head
Wouldn't I make you wet the bed
