

Like You Do (feat. Rosemary Butler)

Neil Diamond

(sung with rosemary butler) written by: sandy knox and steve rosen Love never doubts or suffers or cries

Love shows no fear, love tells no lies

And love will never leave me in the dark

No, love never breaks my heart

Like you do, like you do Love doesn't have unapproachable walls

Or a heart that beckons and then withdraws

And love would never steal my dignity

Love has never made a fool of me

Like you do, like you do Oh, and I have known times

When love seems unsure

But when love is unkind

It is not love anymore Love never threatens or frightens me

It's not held together with apologies

Love never screams my name

No, and love never turns away

Like you do, like you do And I have known times

When love seems unsure

But when love maybe unkind

Love never turns away

Like you do, like you do Like you do, like you do
