

Alibis (Acoustic Live Version)

Tracy Lawrence

She knows every move that a man could make
She knows every trick in the book
She knows how to give, She knows how to take
Cause so many times she's been taken and fooled
By those Alibis and lying eyes and all the best lines
Lord Knows she's heard them all
She's been cheated on and pushed around and left alone
Lord Knows what I've put her through
Boy you can bet, if a move can be made
She knows how to make one on you She once thought that love wasn't just a game
Her feelin's once came from the heart
One day I gave her a weddin ring
One night I tore all those feelins apart
With my Alibis and lying eyes and all the best lines
Lord Knows she's heard them all
She's been cheated on and pushed around and left alone
Lord Knows what I've put her through
Boy you can bet, if a move can be made
She knows how to make one on you
