This Is the Right Time

Lisa Stansfield

This is the right time to believe in loveEveryone knows
If you don't demand, it shows
That you understand the light
Shining inside usIt's more than tonight
It's forever more, it's right
When there's someone there 'til the light
To hold you closeYou know it's all you will ever need
'Cause you're seein' love and seein' it clearly
There's no doubt about it, you just have to shout outThis is the right time
This is the right time
(I can see it in your eyes)
This is the right time to believe in loveEveryone knows
It's a special thing, it's a love
That will never, ever be wrong
'Cause this love is strongYou won't console, you will envy me
'Cause you're seein' love and seein' it clearly
There's no doubt about it, you just have to shout outThis is the right time
This is the right time
(I can see it in your eyes)
This is the right time to believe in loveThis is the right time
This is the right time
(I can see it in your eyes)
This is the right time to believe in loveSo when you know
That there's someone that you want
And you want them so tonight
More than you've ever done anyoneYou won't console, you will envy me
'Cause you're seein' love and seein' it clearly
There's no doubt about it, you just have to shout outThis is the right time
This is the right time
(I can see it in your eyes)
This is the right time to believe in loveThis is the right time
This is the right time
(An' I can see it in your eyes)
This is the right time to believe in loveWell, do you believe, baby?
'Cause I believe, baby
Do you believe, baby?
Believe in loveThis is the right time
This is the right time
This is the right time to believe in loveThis is the right time

This is the right time
