Worst That Could Happen

Brooklyn Bridge

Girl, I heard you're getting married
Girl, I heard you're getting married
This time you're really sure
And this is the end
They say you really mean it
This guy's the one that makes you feel
So safe, so sane and so secure
And baby if he loves you more than me
And baby if he loves you more than me
Maybe it's the best thing
Maybe it's the best thing for you
But it's the worst that could happen to me.

I'm never gettin' married, never gettin' married
You know that's not my scene
But a girl like you needs to be married
I've known all along you couldn't live forever
in between.

And baby if he loves you more than me
And baby if he loves you more than me
Maybe it's the best thing
Maybe it's the best thing for you
But it's the worst that could happen to me.

And girl I don't really blame you
For having a dream of your own
Hey girl I don't really blame you
A woman like you needs a house and a home.

Baby if he really loves you more than me
Maybe it's the best thing
Maybe it's the best thing for you
But it's the worst that could happen to me.

Oh girl don't wanna get married
Girl I'm never, never gonna marry
Oh it's the worst thing that could happen
Oh girl.....
