Willow Weeping

Priscilla Ahn

I fell in love with a boy in blue
I don't know why, but I felt like I could fly when he was near
this will not do(Ahh mmmm...)I fell in love with hands on you
slander sincere I shy I disappear
oh he is dear
if he only knewWill he see what's becoming of me?
I am a paddle.
Will he please come and tend to me
I am a willow weeping, willow(hhhhhhhhhhhhhhhoooooooo)Do you think that I am pretty?
sometimes I do sometimes I don't
look at me
tell me honestlyWill he see what's becoming of me?
I am a paddle.
Will he please come and tend to me
I am a willow weeping willow(hhhhhhhhhhhhhooooooo)
(aah ah ah ah ah...)Will he see what's becoming of me?
I am a paddle
Will he please come and tend to me
I am a willow weeping willow(hoo hooo hooo)
