

Roller Coaster

Toni Braxton

Today I got so mad at you, yeah
It's like I couldn't control myself
Girl, I was done, I was so through with you
But I know I couldn't love nobody else Well I feel like you do
I'm so 'bout done with you,
I'm sick and tired of going through changes
But I love, but I hate you
Don't want, but I want to
Back and forth, and back
What should we do? When love is like a roller coaster
Always up and down, eh
When love takes over your emotions
Spins you round and round? When you don't, when you don't know what you're feeling
When you don't, when you don't know what is real
When love is like a roller coaster
Always up and down,
And it goes back around Today I've said some things to you, babe
I don't like the way it felt, no
I've been giving you, giving you so much attitude, yeh
Ah, I guess I really should really check myself Well, you've started it first,
You said we'd make it work
But here we are going through changes
But I need you, can't stand you
I want you, but damn you
Back and forth, and back
What should we do? When love is like a roller coaster
Always up and down, eh
When love takes over your emotions
Spins you round and round (Ey)
(And it goes back around!) When you don't, when you don't know what you're feeling
When you don't, when you don't know what is real
When love is like a roller coaster
Always up and down,
'Cause it goes back around! We don't ever have to worry babe
'Cause we gon' be alright (yes baby baby baby)
We ain't going nowhere darling (no say no)
Just hold on, for the ride! When love is like a roller coaster
Always up and down, eh
When love takes over your emotions

Spins you round and round? (Like a merry go round)
When you don't know
when you don't know, when you don't know what you're feeling
When you don't, when you don't know what is real
When love is like a roller coaster
Always up and down
'Cause it goes back around! Rollercoaster, always up and down
Up and down, round and round
spends you like a merry go round baby
Your emotions spins you
