Out Of Time

Vanessa Elisha

It feels to me you would never leave
And I wouldn't have to wait just to hold you
Not being on my own
I wish I could fly like a bird,
Give you everything you deserve
I know that I'm missing you when I turn around
And you're goneI feel your touch and it lingers
I feel your touch, I am in beats
Is this what is like to believe in?
Come closer, the clock is still ticking
And we're running Out Of Time
We're running Out Of Time
We're sure running Out Of Time
We're running Out Of Time
Yeah, we're running Out Of Time
We're running Out Of Time
We're sure running Out Of Time
We're running Out Of TimeI'd be out on a stage,
You're on a different page
It's hard to be with you now
When I loved it right out here
I wish I could fly like a bird,
See you from across the world
I'm scared to let go right now
'Cause I'll turn around and you're gone
I feel your touch and it lingers
I feel your touch, I am in beats
Is this what is like to believe in?
Come closer, the clock is still tickingAnd we're running Out Of Time
We're running Out Of Time
We're sure running Out Of Time
We're running Out Of Time
Yeah, we're running Out Of Time
We're running Out Of Time
We're sure running Out Of Time
We're running Out Of TimeAnd we're running Out Of Time
We're running Out Of Time
We're sure running Out Of Time
We're running Out Of Time

Yeah, we're running Out Of Time
We're running Out Of Time
We're sure running Out Of Time
We're running Out Of Time
