

# The Power of Equality

## Red Hot Chili Peppers

Swing I've got a soul that cannot sleep  
At night when something just ain't right  
Blood red but without sight  
Exploding egos in the night Mix like sticks of dynamite  
Red black or white, this is my fight  
Come on courage, let's be heard  
Turn feelings into words American equality has always been sour  
An attitude, I would like to devour  
My name is peace, this is my hour  
Can I get just a little bit of power The power of equality  
Is not yet what it ought to be  
It fills me up like a hollow tree  
The power of equality Right or wrong, my song is strong  
You don't like it, get along  
Say what I want, do what I can  
Death to the message of the Ku Klux Klan I don't buy supremacy  
Media chief, you menace me  
The people you say 'cause all the crime  
Wake up motherfucker and smell the slime Blackest anger, whitest fear  
Can you hear me, am I clear  
My name is peace, this is my hour  
Can I get just a little bit of power The power of equality  
Is not yet what it ought to be  
It fills me up like a hollow tree  
The power of equality Well, I've got tapes, I've got CD's  
I've got my Public Enemy  
My Lilly white ass is tickled pink  
When I listen to the music that makes me think Not another, motherfuckin' politician  
Doin' nothin' but something for his own ambition  
I never touch the sound we make  
Soul sacred love, vows that we take To create straight what is true  
Yo, he's with me and what I do  
My name is peace, this is my hour  
Can I get just a little bit of power The power of equality  
Is not yet what it ought to be  
It fills me up like a hollow tree  
The power of equality Madder than a motherfucker, lick my finger  
Can't forget 'cause the memory lingers  
Count 'em off quick, little Piccadilly sickness

Take me to the hick, eat my thickness I've got a welt from the Bible belt  
Dealing with the hand that I've been dealt  
Sitting in the grip of a killing fist  
Giving up blood just to exist Rub me wrong and I get pissed  
No I cannot, get to this  
People in pain, I do not dig it  
Change of brain for Mr. Bigot Little brother do you hear me  
Have a heart oh come get near me  
Misery is not my friend  
But I'll break before I bend What I see is insanity  
What ever happened to humanity  
What ever happened to humanity  
What ever happened to humanity
