

# More Than Anyone

[Sarah Kelly](#)

And I don't want You just because I need You  
And I don't want You just because You make my life complete  
And I don't want You in the light of what You have for me  
I want You simply because More than anyone else  
I love You more, I love You more  
More than life itself  
I want You more, I want You more And I know that You're the one that I need  
And I know that You're the one who makes my life complete  
And I know that great things are in store for me  
But I want You simply because More than anyone else  
I love You more, I love You more  
More than life itself  
I want You more, I want You more And I'm searchin' and longin' and willin' and wantin'  
You leave me needin' more  
Hold me, make me, change me, take me  
'Cause I'm completely Yours And I'm searchin' and longin' and willin' and wantin'  
You leave me needin' more  
Hold me, make me, change me, take me  
'Cause I'm completely Yours, completely Yours More than anyone else  
I love You more, I love You more  
More than life itself  
I want You more, I want You more And I want You more and I need You more  
(More than anyone else)  
I love You, I love You  
(I love You more, I love You more) And I want You more and I need You more  
(More than life itself)  
I love You, I love You  
(I want You more)
