

Ol' Rag Blues

Status Quo

When you look into a mirror, tell me, what do you see?
Is it pictures of Lily cryin', you know what I mean?
I've been livin' high, I've been livin' low
Like a bird in the sky, this is the way to go What you gonna do with those faded blues you wear?
What you gonna do with those ol' rag blues?
What you gonna do with those ol' blue jeans you wear?
Ol' rag blues, ol' rag blues, ol' rag blues Did you think it was forever? Well, now you know
The summer sun keeps shinin', shine through the blue
I've been livin' high, oh, I've been livin' low
Never give up tryin', oh, no, no, no What you gonna do with those faded blues you wear?
What you gonna do with those ol' rag blues?
What you gonna do with those ol' blue jeans you wear?
Ol' rag blues, ol' rag blues, ol' rag blues I can hear you callin', somewhere in the blue
Can you hear me callin' for you? For you? What you gonna do with those ol' blue jeans you wear?
Ol' rag blues, ol' rag blues, ol' rag blues
