Chris Brown is in the buildingThe young boy just turned sixteen

And I got six fours and hot bikes that I rock

Keep three or four sweeties on my clock,

But all that swinging in that bikini just might convince him

Slow all the traffic down to a complete stop,

'Cause you speaking that slang that I talk

That sassy tempo with that walk,

Maybe the reason that all this teenies may never see me[Chorus: x2]

Momma you may be three years older but you hot (gimme that)

You be talking like you like what I got (gimme that)

I know you like it how I lean in the 'lac,

You could be in the back saying (gimme, gimme, gimme)Ma, take a break, let me explain to you,

What ya body got a young boy ready to do

If you take a chance to let me put them things on you,

I could show you why I make them straight A's in school

I'm a hustler! Trust my frame and age

Got you thinking that I'm just too young to turn your page

I can picture us switching lanes in the coupe

With you on the phone screaming my name(Chris)[Chorus: x2]Wo-womp, womp, Wo-womp, womp, Wo-womp, womp, Wo-womp
