Hold Music

Architecture in Helsinki

Hey you know my friend Lisa

She's down from LA

We've been places like this

They're always the same

We'll loosen the rope just enough to Make you pay-ya-ya-hey-ya-ya-hey-ya-ya-ya-ya-ya-ya-ya-ya my memory is hazy

We're moving away

To rent a display home

Avoid all the grey

Two bees in a swarm

The honey's stuck us by the hair-ya-ya-hey-ya-ya-hey-ya-ya-ya-ya-ya-Hold music, hold music

Give it to me baby don't you dare lose it, dare lose it

Give it to me baby don't you dare lose it, dare lose itWhen we're sleeping in daily

There's ice on the road

I bought us a dragon

To lighten the load

He's keeping us warm

The blood keep flowing to your head-ya-ya-hey-ya-ya-hey-ya-ya-ya-ya-ya

Hey I've never been stately

I'm legless at sea

My spirit has felt you since 1903

I'm trying to be normal

But there's evil in my head-ya-ya-hey-ya-ya-hey-ya-ya-ya-ya-ya-ya-Hold music, hold music

Give it to me baby don't you dare lose it, dare lose it

Give it to me baby don't you dare lose it, dare lose itYou're so dangerous

Everybody's gonna hide out back

It doesn't matter that you're serious

Move along sad face your cover's blown

C'mon there you are

And we're outta space and you're out of space

I said change the beat fast

Or your enemies will see you nakedHold music hold music hold

Hold music hold music hold

Hold music hold music holdWhen we were out drinking

I found you a home

Four million in prizes

You left me alone

When we were forlorn

I found some poison in your bed-ya-ya-hey-ya-ya-hey-ya-ya-ya-ya

Though you may mistake me

I'll never be free I'm stuck in the crossfire Between you and he Tattoos on his arms

He got a needle for a head-ya-ya-hey-ya-ya-hey-ya-ya-ya-ya-ya-Hold music, hold music Give it to me baby don't you dare lose it, dare lose it

Give it to me baby don't you dare lose it, dare lose itGive it to me baby give it to me

Give it to me baby give it to me

Give it to me baby give it to me

Give it to me baby give it to me

Give it to me baby give it to meGive it to me baby give it to me

Give it to me baby give it to me

Give it to me baby give it to me

Give it to me baby give it to me

Give it to me baby give it to me
