

# Please Don't Leave Me

John Sykes

In the summer we'd be crazy  
We'd fool around all the time  
Oh how I loved that girl when she was mine  
But now she'd left me for another guy  
And it really brought me down  
For without that girl  
I was lost and foundOh darling please don't hurt me this way  
Oh darling please don't leave me  
Oh darling please don't hurt me this way  
Oh darling please don't leave meNow I get messed up and I fool aroundBut there's no fun anymore  
They say times must change  
But I'm not so sureLost lovers of summer  
As you go your separate way  
Remember memories you owe  
Won't bring back those special daysOh darling please don't hurt me this way  
Oh darling please don't leave me  
Oh darling please don't hurt me this way  
Oh darling please don't leave me
