Within

Kiss

Cry without tears
See without sight
Night without day
And every day's black as the night
Fly without wings
Feel without touch
Touch without feel
And everywhere nothing is real
I wanna see from within
I wanna be where I've been
I wanna truth not a lie
I wanna live 'fore I die
Life without death
World without F
Sleep without dreams
And nothing is quite what it seems
I want something more than you'll know
Follow myself and go where you can never go
And I see though my eyes are closed
I wanna see from within
(Cry without tears, see without sight)
I wanna be where Ive been
(Night without day, and everywhere nothing is real)
I want a truth not a lie
I wanna live 'fore I die
(Touch without feel and everywhere nothing is real)
Inside you without your blessing
Inside me is me confessing
Outside you is outside me
And inside there is no guarantee, no
I wanna see from within
I wanna be where I've been
I wanna truth not a lie
I wanna live 'fore I die
I wanna see from within
(Life without death, world without F)
I wanna be where I've been
(Sleep without dreams, and nothing is quite what it seems)
I wanna truth not a lie

I wanna live 'fore I die
(I want something more than you'll know)
(Follow myself and go where you can never go)
Cry without tears
Night without day
