And there ain't no night
And there ain't no night
Did you hear what I said?
But into whiteInto white
Into white
Into whiteAnd there ain't no day
And there ain't no day
And there ain't no night
And there ain't no night
And there ain't no day
And there ain't no nightInto the white
Into the white
Into the whiteDid you hear what I said?
Did you hear what I said?
Deeper than your sleepy head
Deeper than your sleepy head
Ain't nothin' to see
Ain't nothin' in sightInto the white
Into the white
Into the whiteGo and you'll go real far
Go and you'll go real far
Just pass the big quasar
Just pass the big quasar
Can't hitch a meteorite
Can't hitch a meteoriteInto the white
Into the white
Into the white
