

# Caribbean Queen (No More Love On the Run)

Billy Ocean

She's simply awesome  
She dashed by me in painted on jeans  
And all heads turned 'cause she was the dream  
In the blink of an eye I knew her number and her name, yeah  
She said I was the tiger she wanted to tame Caribbean Queen  
Now we're sharing the same dream  
And our hearts they beat as one  
No more love on the run I lose my cool when she steps in the room  
And I get so excited just from her perfume  
Electric eyes that you can't ignore  
And passion burns you like never before I was in search of a good time  
Just running my game  
Love was the furthest  
Furthest from my mind Caribbean Queen  
Now we're sharing the same dream  
And our hearts they beat as one  
No more love on the run Caribbean Queen  
Now we're sharing the same dream  
And our hearts they beat as one  
No more love on the run Caribbean Queen  
Now we're sharing the same dream  
And our hearts they beat as one  
No more love on the run Caribbean Queen  
Now we're sharing the same dream  
And our hearts they beat as one  
No more love on the run She is the queen  
My Caribbean Queen  
I said she dashed by me in painted jeans...
