Happy Now (feat. Sandro Cavazza)

Kygo

[Verse 1]
We don't wanna believe it, that it's all gone
Just a matter of minutes, before the sun goes down
We're free to admit it, but I know you know, know that
We should've known better, we kept on trying
I just stand now and see it, the fire's dying out
Can't believe that I see this, we're out of chances now
And I just want you to know that
[Chorus]
You and me it was good but it wasn't right
And it'll be hard but I know I will make it out
Step by step, I'll move on and get on with life
So I let go, and I hope you'll be happy now
You and me it was good but it wasn't right
And it'll be hard but I know I will make it out
Step by step I'll move on and get on with life
So I let go, and I hope you'll be happy now[Post-Chorus]
I hope you'll be happy now
Yeah, I hope you'll be happy now
I hope you'll be happy now
Yeah, I hope you'll be happy now
Yeah, I hope you'll be happy now
I hope you'll be happy now
[Verse 2]
Thought we would make it, if I just held on
But it's really crazy, how love could fade so fast
