

I Found Out

Eron Falbo

I told you before stay away from my door.
Don't give me that brother, brother, brother. The freaks on the net have been sending me threats,
So don't give me that "brother, brother, brother,"
I found out. I haven't showed you what I can do,
So don't take nobody's word for what I've been through.
There ain't no Jesus gonna come from no stage,
Now that I found out I've broken the cage.
I found out. Some of you sitting there with my cock in your hand,
Don't get you nowhere don't make you a man.
I'll tell you something 'bout my ma and my pa,
I couldn't see them so I became a star.
I found out. Old Ayhuaska got nothing on you,
Just keep you crazy with nothing to do.
Keep you busy sedated on the pie in the sky.
There ain't no Guru who can see thru your eyes.
I found out. I been through junkies I been through it all,
I've seen religion from Crowley to Mao.
Don't let them fool you with dope and cocaine,
Can't do you no harm to just feel your own pain.
I found out.
