

Hello, Again

Tommy Lee

There's so much to say to you from here
Is this transmission coming clearly?
Do you hear me?.. YeahThe paper is not peeling off the walls
Good year, til it all falls, til it all falls yeahHello, again, hello there
It's been so long
And this place is not the same without you
Hello, (Hello, hello) hello there
It's been so long
And the colors all turn gray without youAnd so far
There's nothing I can do to not remember
To Not remember, you're so lucky
And so far (far away)
I've been living underground to keep the day out
(keep the day out, you're so lucky)Hello, again, hello there
It's been so long
And this place is not the same without you
Hello, (Hello, hello) hello there
It's been so long
And the colors all turn gray without youI've been wandering the halls
(I've been wandering the halls)
This place is quiet as a church
(As a church)Hello, again, hello there
It's been so long... it's been so long
Hello, again, hello there
It's been so long
And this place is not the same without youHello (Hello, hello) hello there
It's been so long
And it's so nice to see you... again
Hello again, where have you been?Hello again, hello there....
