

Maxine's Interlude

John Legend

Oh, oh, get back soon

Where are you now?

Oh, get back soon

Maxine

Oh where are you now?

Maxine

Oh get back soon

Where are you now?

Where are you now?

Sometimes I wonder why she wouldn't stay

What I should have changed

Sometimes I wonder why it's been so long

What did I do wrong

Maxine, Maxine

Oh, where are you now?

Oh, where are you now?

Maxine
