

Apossibly

The Apex Theory

(chorus) can you please explain the reasons why you are so
afraid I've consequence when we first said hello
can you please explain the reasons why you are so afraid I've consequence when we first said hello

where am I going, what comes from you it was being true. were respective, were that wild
soaking me into you. we'd stand the time amount, we're to never under man, your going down
I fell strapped always (Chorus)

Pigeons circle mountains, tempt three-hundred times that day, but nothing stops them from from
feeling an eye, class not late astray. bothersome it may be, to the naked eye, nothing is free
but the burning of proof may take more than life time to see
Where am I going? what comes from you it was being true, were respective, were that wild, soaking
me into you (Chorus) (Music) (Chorus) la day DA, la day DA, la day DA, la day dahhhh,

can you please explain why you are so afraid (X 5)
why you are so afraid...
why you are so afraid...
why you are so afraid...
