

# I Get Along Without You Very Well

Billie Holiday

I get along without you very well  
Of course, I do  
Except when soft rains fall  
And drips from leaves  
Then I recall  
The thrill of being sheltered in your arms  
Of course, I do  
But I get along without you very well I've forgotten you just like I should  
Of course, I have  
Except to hear your name  
Or someone's laugh that is the same  
But I've forgotten you just like I should What a guy  
What a fool am I  
To think my breaking heart  
Could kid the moon  
What's in store  
Should I fall once more?  
No, it's best that I stick to my tune I get along without you very well  
Of course, I do  
Except perhaps in Spring  
But I should never think of Spring  
For that would surely break my heart in two
