

# I'd Like to See You Try

Lisa Brokop

(Lisa Brokop/Ryan Reynolds) Hey, hey, baby,  
You seem so sure a-yourself,  
Think you can make me love you,  
Just you and nobody else.  
Well, I might be already there,  
Truth is, I'm not sayin'.  
I wanna see if you believe that,  
(I'm) Well worth the chance you're takin'.  
I would like to see you try.  
I double-dog dare you to cross that line.  
You say deep inside you're feelin' like,  
You could love me for the rest of my life:  
I would like to see you try. No, I don't need a Prince Charmin',  
Or a joker with a silver tongue.  
Guess a knight in shinin' armour,  
Is what every little girl dreams of. (Dreams of.)  
Yeah, I see you talkin':  
I heard every little thing you said.  
You wanna hold me, then show me,  
On your mark, get ready, get set: I would like to see you try.  
I double-dog dare you to cross that line.  
You say deep inside you're feelin' like,  
You could love me for the rest of my life:  
I would like to see you try. It ain't worth doin',  
If we don't take it all the way.  
When it comes to forever,  
Nothin' ventured, nothin' gained. I would like to see you try.  
I double-dog dare you to cross that line.  
You say deep inside you're feelin' like,  
You could love me for the rest of my life:  
I would like to see you try. (Deep inside, you feel like you could love me.)  
Will you love me, baby? (Deep inside, you feel like you could love me.)  
(Do you love me,) baby? (Deep inside, you feel like you could love me.)  
Do you love me, baby, yeah? (Deep inside, you feel like you could love me.)  
(Do you love me,) baby? (Deep inside, you feel like you could love me.)  
Yeah, I'd like to see you try. (Deep inside, you feel like you could love me.)  
(Do you love me,) baby? (Deep inside, you feel like you could love me.)  
Do you love me, baby? (Deep inside, you feel like you could love me.)  
(Do you love me,) baby? (Deep inside, you feel like you could love me.)
