Classic Jigga (Tag throughout)

Really...

Get here from Nowhere...
Get here from Nowhere...

If you canâ€™t get here from nowhere...

From Nowhere...
From Nowhere...

Right now then...

Get here from Nowhere
Get here from Nowhere

Really baby...

From nowhere...Right now then...

If you can get here from nowhere (soprano)

Get here Tomorrow...
Get here Tomorrow...

If you canâ€™t get here Tomorrow...

Right Now then...

Get here Tomorrow...
Get here Tomorrow...

Really baby...

Here Tomorrow...Right now then...

If you canâ€™t get here Tomorow...

Get here from Somewhere...
Get here from Somewhere...

If you canâ€™t get here from Somewhere...

Right now then...

Get here from Somewhere...
Get here from Somewhere...

Really baby...

Here from Somewhere...Right now then...

If you canâ€™t get here from Somewhere...
